Executive Committee

President's Report

We had a very successful year and our finances are in good shape. I was honoured to represent our Branch at all the conventions that were held so far during this term.

I would like to thank this year's Executive for a job well done and I wish them all the best for the next term.

Last but not least I would like to thank all the volunteers who come out to help at the Branch events throughout the year.

President Robert Harrison

PARAPROSDOKIANS are figures of speech in which the latter part of a sentence is unexpected. Winston Churchill loved them.....Some examples:

- If there's a will, I want to be in it.
- Since light travels faster than sound, some people appear bright until you hear them speak.
- If I agreed with you, we'd both be wrong.
- War does not determine who is right - only who is left.
- Knowledge is knowing a tomato is a fruit. Wisdom is not putting it in a fruit salad.
- They begin the evening news with 'Good Evening,' then proceed to tell you why it isn't.

Hall Rental

It is with much regret that Bernie Ribey has resigned from the position of Hall Rental Chair. With our Ladies Auxiliary handing in their charter, it left a big void to fill our hall rentals, especially when dealing with lunches and dinners.

Bernie stepped up to the plate and did an excellent job of pulling together a caterer and volunteer help to assist with all the events.

Thank you to Bernie and all the volunteers for helping our Branch and we hope to continue leaning on you when it is needed for an event.

In the interim, hall rental information and bookings can be directed to the Legion office at 519 832-2903 or branch340@eastlink.ca

Honours & Awards

Recognizing valued members for their contributions at our Legion is an important part of the Honours & Awards Chair.

When you nominate volunteer members, based on their efforts of ensuring our Branch functions continue, we build strong and continuous relationships, and we build a stronger Branch.

If you know anyone whom you feel should be shown appreciation, please contact me with this members particulars and the Honours & Awards Committee will evaluate the nomination.

Sergeant-at-Arms

Our Branch Colour Party on parade is one of the most visible things that we do. We could use a few new flag bearers. It is not difficult to learn and I would be more than glad to train new volunteers.

You would be needed for Remembrance Day, the Santa Claus parade and General Meetings if possible. We support other Branches for special events when requested. We have even been invited to the Saugeen Shores Winterhawks game for the dropping of the puck on the Friday closest to November 11th.

Please consider joining our Flag Family Team. You can meet some new friends and have some fun doing it. If you are interested please contact me.

Hope Floats: Celebrating Cancer Awareness Month with Bernie's Boat

Dear Readers,

As April marks Cancer Awareness Month, we're reminded of the strength and resilience of those touched by this disease. It's a time to reflect, support, and share stories of hope. Thank you to Branch 340 for your financial support of a new program launching in Grey and Bruce counties, the sport of dragon boating. Below, we bring you a powerful story that began with a groundbreaking idea and has blossomed into a lifeline for many.

Thirty years ago, Dr. Don McKenzie, a visionary researcher from British Columbia, challenged conventional wisdom by exploring the link between physical activity and breast cancer recovery. His 1998 publication in the Canadian Medical Association Journal documented his pioneering work: a dragon boat team for breast cancer survivors. Dr. McKenzie's belief was simple yet profound: strenuous upper body exercise in a supportive, aesthetically pleasing environment could significantly benefit these women.

His research proved him right. Dragon boating not only promoted physical health but also fostered a sense of community, hope, and empowerment. It debunked the myth that upper body exercise leads to lymphedema, offering a tangible "life after breast cancer." The impact was undeniable: improved mental health, boosted endorphins, and a powerful sense of camaraderie. Today, this Canadian-born initiative has spread globally, with over 16,000 participants across 35+ countries. In 2021, Dr. McKenzie received the Order of Canada for his "seminal research on the effectiveness of exercise as an intervention for breast cancer patients."

With 1 in 8 women facing a breast cancer diagnosis in their lifetime, this story hits close to home. And now, it's hitting closer to *our* home.

Let us introduce you to Bernie's Boat, a dragon boat team serving Grey and Bruce counties. This initiative was the dream of Bernie Schlauch, a passionate advocate who sadly succumbed to metastatic breast cancer before seeing her vision fully realized. However, her legacy lives on. Geordie Farrell and a dedicated team of women have taken up the torch, ensuring Bernie's dream becomes a reality.

Bernie's Boat welcomes anyone in Grey and Bruce counties who has been impacted by breast cancer – patients, survivors, and thrivers. Whether it's you, your wife, sister, daughter, friend, or neighbor, the benefits of paddling alongside those who understand your journey are immeasurable: improved health-related quality of life, reduced fatigue, and enhanced social well-being.

Since launching in 2024, Bernie's Boat has achieved remarkable milestones: paddle training, non-profit incorporation, charitable status application, dragon boat acquisition, coach training, steering certifications, First Aid/CPR training, membership with the International Breast Cancer Paddlers Commission and Dragon Boat Canada, safety guidelines creation, and a membership exceeding 50 and growing daily. While currently over 90% of the team resides in Port Elgin and Southampton, they are eager to expand their reach across Grey and Bruce counties.

Here's where you can help:

Please spread the word about Bernie's Boat. You might know someone who needs this community and support.

Learn more and connect at: www.berniesboat.ca

Let's rally behind Bernie's Boat and support those navigating their breast cancer journey. Together, we can make a difference.

The Runnymede Memorial - WWII Airmen Who Died With No Known Grave

In WWII, as it was in WWI, the bodies of many of those who died in battle were never found. The Canadians who died and whose bodies were never found in WWI, are named and honoured at the Vimy Memorial in France and the Menin Gate in Belgium.

There were 66,349 Canadians in WWI who died in uniform. The bodies of 18,209 were never found, 11,285 are remembered on Vimy and 6,924 are honoured on the Menin Gate in Ypres. There were 650,000 who served.

In WWII things changed significantly and the bodies of most Canadian soldiers, who died, were found and buried with honour in the many beautiful cemeteries spread throughout Europe. Canadian military deaths in WWII totaled 42,042 of the 1.1 million who served.

Such was not the case with Airmen. Thousands died when their bombers and fighter planes were shot down in action or on their way back to base. Some were found and buried in Commonwealth cemeteries in Europe, along with our soldiers who had died close by.

In WWII, the Commonwealth Air Force had more than 116,000 men and women who enlisted and served. There are 20,456 of them who died and have no known grave, and they are Commemorated by name on the Runnymede Memorial, at Englefield Green, 32 km west of London England. Canada had more than 17,000 who enlisted and there were 3,031 honoured along with their Commonwealth comrades who made the supreme sacrifice.

The memorial sits on the crest of Cooper's Hill, overlooking the Thames. There are two lookouts, one facing towards Windsor Castle and the other towards Heathrow Airport. Above the three arched entrances is a great stone eagle with the Royal Air Force Motto. "Per Ardua ad Astra" , translated "Through Adversity to the Stars". Below the motto is the following inscription.

"IN THIS CLOISTER ARE RECORDED THE NAMES OF TWENTY THOUSAND AIRMEN WHO HAVE NO KNOWN GRAVE. THEY DIED FOR FREEDOM IN RAID AND SORTIE OVER THE BRITISH ISLES AND THE LANDS AND SEAS OF NORTHERN AND WESTERN EUROPE".

In the tower there is a shrine that provides a quiet place for contemplation, contains illuminated verses by Paul H. Scott from which the following extract has been taken:

"HERE AT THE HEART OF ENGLAND, HALFWAY BETWEEN ROYAL WINDSOR AND LORDLY LONDON, LOOKING DOWN. HERE, WHERE THE TREES TROOP DOWN TO RUNNYMEDE MEADOW OF MAGNA CARTA, FIELD OF FREEDOM. NEVER SAW YOU SO FITTING A MEMORIAL, PROOF THAT THE PRINCIPLES ESTABLISHED HERE, ARE STILL DEAR TO THE HEARTS OF MEN".

The names of the 20,456 who have no known grave are inscribed on the stone reveals of the narrow windows of the cloisters and the lookouts. Scattered amongst them are the names of 3,031 Canadians.

If anyone goes to the Runnymede Memorial there are 3 panels you must visit.

On Panel 60 is the name of Norman Frederick Hettrick of Port Elgin. He was the co-pilot of a Wellington Bomber that was shot down while on a bombing mission on November 26, 1941. The bodies of him and his 5 fellow crew members were never found.

On Panel 103, one will find the name of Lloyd Sylvester Ernst. His father was an Evangelical minister, and Lloyd came to Port Elgin as a young boy. Lloyd was only 20 years old when on September 25, 1942, the large 4-engine Handly Paige Halifax Bomber did not return from a bombing mission.

On Panel 175 is the name of Frederick Leroy Vaupel. His family arrived in Port Elgin in 1932 when he was 20 years old. He enlisted in the RCAF in 1940 and was selected to train as a single-engine fighter pilot. The Mustang was the most popular one-man plane for Commonwealth Pilots. On June 17, 1943, he was on patrol in the Bay of Biscay, off Spain when he did not return.

There was one other airman from our community who died and he is without a known grave. Most unfortunately, he was the younger brother of Fred Vaupel. Raymond Ernest Vaupel arrived in Port Elgin in 1932 at age 15. He joined the RCAF in 1941 and trained as a bomber pilot. Upon arrival in England, he was assigned to North Africa where he was the only Canadian in the bomber crew. Flying out of Egypt, they were on a night bombing mission on Tobruk in Northern Lybia. There were two reports of the crew being killed when downed in the Mediterranean. The first was that all 5 had died. The second report had only Ray and one other dying. Ray is named on a Memorial in Alamein Egypt on Panel 283. Canada did not have a major role in Africa and the Middle East in WWII. There are 213 Canadians buried or Memorialized on Panels in Alamein.

Easter: A Hope That Never Fades

After a long winter, it's always refreshing to see the first signs of spring. The snow melts away, the days grow longer, and the world around us begins to bloom with new life. It's a reminder that no season lasts forever and that renewal is always on the horizon.

Easter carries that same message but on a far greater scale. It's not just about the changing of seasons—it's about the ultimate renewal, the promise of true and lasting hope that only Jesus can provide.

We live in a world that often feels uncertain. We look to our institutions, our governments, and the leaders around us, hoping they will provide the stability, peace, and hope we long for. But time and again, they fall short. The hope they offer is temporary, built on things that shift and change.

But Easter reminds us that there is a hope that does not fade, a hope that is not dependent on circumstances or human effort. Jesus, through His death and resurrection, has given us a hope that this world cannot provide—a hope that is eternal, unshakable, and secure.

As members of the Legion, we understand sacrifice. We honor those who have given their lives for the sake of others. But there is no greater sacrifice than the one Jesus made for us on the cross. And because He rose again, we are invited into a life that is not bound by fear, sin, or even death itself.

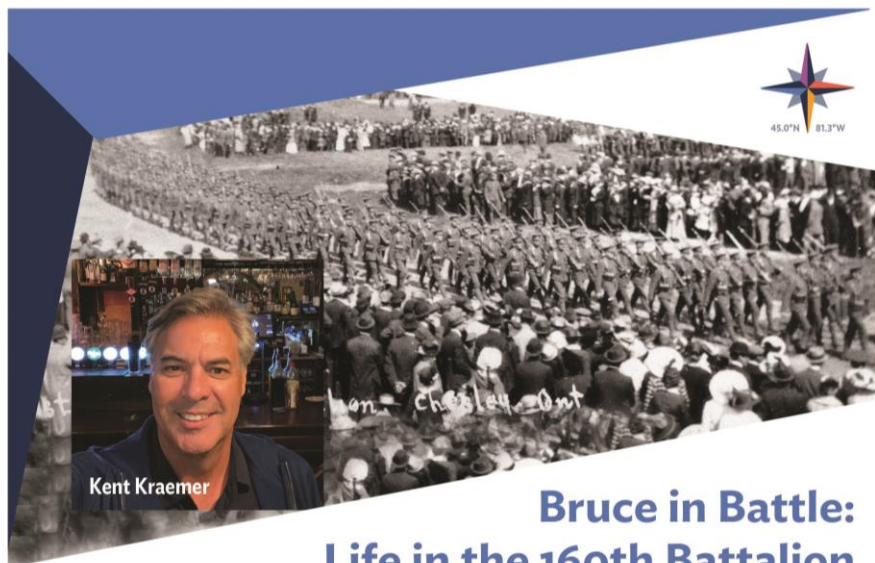

So, as we see the earth awakening from winter, let us also awaken to the incredible truth of Easter: that no matter what we face, Jesus has already won the victory. His love endures, His promises stand, and His hope will never fail us.

May this season fill your heart with joy, peace, and the unshakable hope that only Christ can bring. Remember, Jesus changes everything.

Here to serve,
Rev. Chaplain David Baker
