President's Report

It looks like we are finally getting some summer weather. As I write this on the 1st day of fall we are looking at 3 days of 30 degree weather. Here are some of the highlights of our month.

1. Our BBQ's went very well. Bob and Rhonda have picked up some helpers that come back time and again. Nice to see people stepping up.
2. The Zone Fall Convention was held in Hepworth with good attendance from our Branch. It is good to go to these Conventions as we always learn something.
3. Branch 340 hosted an unveiling party for the commemorative banners on September 19, 2017. The upstairs was packed with many interested members of the public. Also the local TV station and radio stations were there to document the event. The banners are of our WWI and WWII soldiers who gave their lives during those conflicts. I can't wait to see them on our light standards throughout Saugeen Shores.

I have 1 low light I would like to identify.

1. Our monthly General meeting was to be held September 5, 2017. We had to cancel this meeting due to the lack of participation from our general members. In order to have a meeting we need 12 members that are not part of the executive present. We had only 5 people show up. It is important to the Branch to have these meeting as it is where the business of the Branch gets approved. There were many donations we wanted to make (including \$1000 to the schools to help their breakfast program) but could not because you were not there to approve it. We cannot spend money unless the general members approve it. Our next General meeting will be held on the first Tuesday in October (October 3, 2017) starting at 7:30 PM. Come out and support your Legion.

Hope all is well with you all and looking forward to seeing you down at the Branch soon.

We will remember them.

Leadership Development

The Royal Canadian Legion is unique in that it is a Canada wide non-profit Veteran's organization founded by Veterans for Veterans. Legion Branches are member oriented with a membership who believe in and promote the perpetuation of "Remembrance" and the welfare of our Veterans.

In 1926, the "Legion" in Canada was born out of a group of 15 Veterans organizations formed after WW1 to promote the welfare of its Veterans. The largest of this group was the "Great War Veterans Association" and the oldest was the "Army and Navy Veterans Association". Thirteen of these organizations, including the "Great War Veterans Association" joined together to form the "Canadian Legion of the British Empire Service League".

In 1961, the "Act to Incorporate" was amended to change the name of the Canadian Legion to "The Royal Canadian Legion". The word "Royal" was conferred by Her Majesty Queen Elizabeth in recognition of the Legion's 35 years of dedicated service. Initially, the Legion was an organization composed entirely of Veterans. These members were ex-service men and women who came from all walks of life possessing the leadership skills and training learned as sailors, soldiers and airmen. As "Comrades-in-Arms" who shared a common background, they were part of a brotherhood who worked together over the years to improve pension benefits and living conditions for our Veterans and their families.

At present, there are 403 Legion Branches in Ontario, 988 Branches in the rest of Canada, 14 Branches in the USA, 5 Branches in Europe and 1 Branch in Mexico, for a grand total of 1411 Branches. In 2017 Legion Membership stands strong at nearly 300,000.

Today, there is no requirement to have a family link to a Veteran in order to become a member of the Royal Canadian Legion. Voting membership in the Legion is now open to any Canadian citizen of

Federal voting age who supports the purposes and objects of the Royal Canadian Legion. Non-voting membership is also available to any non-Canadian citizen who is of Federal voting age.

Membership Matters

This is a busy time of the year for membership. The Early Bird Campaign started September 1, 2017 and runs through to the end of November. Why not be an early bird and pay your dues before the end of November. We have a strong Branch due to you so let's keep it strong by renewing your membership.

Dues will be staying the same this year and are as follows:

1. Membership dues during the Early Bird Campaign September 1, 2017 to November 30, 2017 are \$50.00
2. Membership dues after November 30, 2017 are \$55.00

Many changes have occurred with the membership program with the Legion now having the program computerized. All transactions can now be done through the computer which helps us be better suited to support our comrades.

Renew early and become an Early Bird

Wishes for health and happiness in the future.

Our Branch Colour Party on parade is one of the most visible things that we do. We could use a few new flag bearers. It is not difficult to learn and I would be more than glad to train new volunteers.

I encourage you to consider carrying a flag for the Remembrance Day parade and the Santa Claus Parade.

I welcome you to join our Flag Family Team. You can meet some new friends and have some fun doing it. If you are interested please contact me.

Branch Barbecue/Dinner Committee

Friday BBQ.... What can I say? It's been fun!!!

We raised significant funds for the Branch which of course helps the community. This could not have happened without you. The many volunteers who help at each event and you the members who donated salads, desserts and many other items, or just showed up to participate.

Rhonda and I would like to thank each of you for all your help and without you this fun event could not happen. Any feedback as to what we can do – good or bad – would be greatly appreciated.

Hope to see you at another event soon.

Padre's Corner

It has been a big year for Canada, our 150th anniversary. Celebrations have taken place across our nation, and it appears that we have done that modestly, but well.

On July 1, I was in Ottawa with the Chantry Singers. We represented Saugeen Shores as part of a 600 voice choir with singers from across Canada. Performing on Canada Day was an awesome experience. We were proud of our country and all it stands for.

The other awesome experience was the half-day I spent at the Canadian War Museum. I was able to wander through the exhibit slowly, and had the time to read the information written for each of the displays. The Vimy room, which is part of the permanent display, had been enhanced for the 100th anniversary of the battle.

All of our military history is there from the war of 1812, through the great wars I & II, Korea, Bosnia and Afghanistan. As a nation we can be proud of the huge effort we have made with our allies toward the peace and stability of our world.

Before I left, I had lunch with two retired soldiers (museum volunteers for the day). One had served with the PPCLI and the other with the French regiment, "the Van Doos". Both continued, after retirement, with various branches of NATO. They asked what interest I had in the museum, and I told them that I had been in army cadets as a high school student and in the naval reserve as an adult. I added that I was presently Legion Chaplain in Port Elgin, that my duties were largely ceremonial, and that I was trying to keep in touch with our own veteran group, particularly the seniors. Their comment was to stay at it and encourage the Branch not to neglect the veterans we have in our midst. And I am working on that.

Canada's birthday year has almost passed. I felt very fortunate to be 'on the hill' for part of the celebrations. Most of all, my visit to the War Museum reminded me of the sacrifices made for us over the years. It was the lives of others who have made our celebrations possible.

Our Branch has lost two of our World War II Veterans:

Trevor Letang died in June 2017 at the age of 95. He served in the RCAF as an engine mechanic, stationed in the north of England with the 6th Group as a specialist on Halifax Bombers. He claimed that they were every bit as good as the Lancaster. Trevor volunteered for service in the Far East and was already in Canada when the war ended in May 1945.

Thank you for your service, Trevor.

Vern Johnson died at the age of 93. Recruited as part of the Canadian Army University course in 1943, he and most of his class left to join the ranks as privates. Vern was trained with the Royal Canadian Corps of Signals and was seconded to the Queen's Own Rifles of Canada. He saw action with the 3rd Division in the Netherlands and ended the war in Apeldoorn, Holland. Returning to Canada in December 1945, Vern resumed his studies at U of T.

Thank you, Vern, for your service to your country.

Canada Remembers

Lest we forget.

Mr. and Mrs. Brown had two sons. One was named Mind Your Own Business & the other was named Trouble. One day the two boys decided to play hide and seek. Trouble hid while Mind Your Own Business counted to one hundred. Mind Your Own Business began looking for his brother behind garbage cans and bushes. Then he started looking in and under cars until a police man approached him and asked, "What are you doing?" "Playing a game," the boy replied. "What is your name?" the officer questioned. "Mind Your Own Business." Furious the policeman inquired, "Are you looking for trouble?!" The boy replied, "Why, yes."

Project**

Around Saugeen Shores there will be Commemorative Banners hanging throughout Saugeen Shores prior to Remembrance Day each year beginning this fall.

The Town of Saugeen Shores' Municipal Heritage Committee, in collaboration with the local Royal Canadian Legions, have establishing a Commemorative Banner Program that recognizes those that have lived in our community and who made the ultimate sacrifice in protecting our freedom.

The Group is collecting pictures of those that made the ultimate sacrifice in WWI and WWII that came from our communities. The cenotaphs in both Towns include the names of those from Southampton, Port Elgin, Saugeen Township and Saugeen First Nation who lost their lives during these wars. The Group hopes that family members will be able to provide pictures, confirm Christian names and possibly sponsor the banners of their family members.

Invictus Games Motorcycle Ride
Saturday, September 9, 2017**

The Invictus Games Motorcycle Ride organized by the Royal Canadian Legion Zone C-4 from Tobermory to Meaford, Ontario on Saturday, 9 Sept 2017 was a great success. A special thanks to Mr. Steve Rice and Legion members from across Zone C-4, for the outstanding planning and execution of such a great event.

The ride departed Tobermory at 10:00 hrs. and stopping at Hepworth Legion for lunch. Thank you to all the Legion volunteers for putting together a great meal, before we headed to 4th Canadian Division Training Centre, our final destination. We passed several cenotaphs along the route where Royal Canadian Legion color parties were standing at attention for our arrival, and salutes.

Various motorcycle clubs and individual riders supported our wounded Veteran's and those of 16 Allied and Commonwealth Nations by attending this special motorcycle ride, which is part of the Invictus Games Flag Tour, as it crossed our nation from Victoria BC to Toronto. Many dignitaries were in attendance along with the Commanding Officer and DSM, who greeted us on arrival at 4th Canadian Division Training Centre in Meaford.

Thank you to an amazing group of representatives from the Invictus Games who were in attendance at the start, middle and end of the ride. We cannot forget the Invictus Games Mascot who was a highlight for the motorcycle riders. The Canadian Veteran Freedom Riders Meaford Ontario Canada unit was honoured to ride in this special venue. Great job to you all and we wish our wounded warrior athletes participating at the 2017 Invictus Games in Toronto the very best.
