Hello Comrades,

Well, Christmas is done and we are already through the first month of 2018. Happy New Year to everyone. January is normally a quiet time for us as many people head south for the sunshine and others just take a break after the holidays. In Branch 340 there are many things happening and we can be proud that our Legion continues to lead the way.

January events:

1. The year started off with our traditional Levee Day celebration. Mother Nature decided to try and put a damper on the event with some nasty weather. Well it didn't work as the Club Room was busy the entire afternoon. The Williamson Family was hired to provide the music but due to the weather only Paul Williamson could make it. He entertained the crowd all afternoon with some help from family. Thanks Paul. I would like to thank Elizabeth Eby for arranging the event prior to heading south. Gary and Sherry Winnitoy made sure things went as planned throughout the day. Thanks to you all for making our Levee Day another success.
2. There were 6 new members initiated this past month. It is nice to see new members coming in. Welcome Patricia, Marty, Karen, Carol, Andy and Kevin.
3. Our Meat Draws continued into January with two draws this month. Tom and his crew were well prepared and are ready to continue for the remainder of this year.
4. Our Wednesday night bingo events are starting this year the same as they finished last year. They are busy and continue to host over 70 people a night. Sharen has a good crew there to provide a good night of entertainment.
5. We have three sports teams moving on this year. They are:
 - a. 8-Ball team of Craig Bell and Jim Fleming moved on to the District Competition on January 27th in Owen Sound.
 - b. Euchre team of Mary Galliher, Shirley Dadswell, Jim Mahon and George Walker move to District Competition on March 3rd in Walkerton.
 - c. Cribbage team of Mary Alexander, Sharen Maas, Dana Hasting and Brad Davies move on to the Provincial Competition in Toronto on March 10th.

I wish you all good health for the rest of the winter.

Many of our patrons have arranged holidays in the South. Hope your travels are uneventful.

"We will remember them"

Yours in Comradeship
President Dan Kelly

Have you been interested in joining the Ladies Auxiliary but don't have enough information to make that decision? Well here's what we're all about.

- Having Fun! We have such fun in the kitchen, at Conventions, on parade, or hosting a yard and bake sale.
- Teamwork! Whether it's delivering Meals-on-Wheels or preparing meals for banquets, we rely on each other and trust each other.
- Dedication! Attending our General Meetings once a month, going to Zone meetings twice a year and Provincial Conventions every other year.
- Volunteering! Whether you're elected or appointed to a position on the executive of the Auxiliary, it's all time we devote to fulfill the task.
- Friendship! We share each other's woes, each other's burdens bear, and often for each other flows the sympathizing tear.
- Pride! When we wear the uniform; when we carry the flag and when we take part in Legion and public events. We always take pride in being a member of the Ladies Auxiliary. Serving our Legion and supporting our veterans and our community.
- Hard working Women! You bet we are, but we know how to make it fun and share the work load. We serve the best home cooked meals to our clients.
- Fundraising! Our goal is to donate financially to local charities, organizations and schools, provincial bursaries, sports and charities, Veterans hospitals, our own Legion Branch 340 and the Cenotaph Fund.

Have we piqued your interest? Do you have any more questions? Would you like to complete an application? Then speak to one of the Ladies Auxiliary members if you already know one, or ask the bartender for an application or the Legion office or email me at divinediane11@gmail.com.

A Thoughtful Valentine's Day Gift

Jim asked his friend, Tony, whether he had bought his wife anything for Valentine's Day. 'Yes,' came the answer from Tony who was a bit of a chauvinist, 'I've bought her a belt and a bag.' 'That was very kind of you,' Jim added, 'I hope she appreciated the thought.' Tony smiled as he replied, 'So do I, and hopefully the vacuum cleaner will work better now.'

A Teacher's Story

One day the first grade teacher was reading the story of The Three Little Pigs to her class. She came to the part of the story where the first pig was trying to accumulate building materials for his home. She read, "And so the pig went up to the man with the wheelbarrow full of straw and said, 'pardon me sir, but may I have some of that straw to build my house?'"

The teacher paused and asked the class, "And what do you think that man said?" One little boy raised his hand and said, I know, he said, "Hey cool! A talking pig!! The teacher was unable to teach for the next 10 minutes.

Leadership Development

YOUTH EDUCATION PROGRAM

The Royal Canadian Legion sponsors youth programs that include sports, cadet corps, scouts, leadership training and remembrance activities. It is our aim to help youth learn an appreciation for teamwork, leadership, duty and most importantly, Remembrance. A key focus for the Legion Canada-wide is our Youth Education Program.

Educating our youth about the high cost of their freedom is one of the Legions most important roles in Canada today. We must impress upon young people who have never known war, that freedom was won at the cost of many lives; young lives like their own. These competitions are open to all schools in Canada. The main principle of the contest is to encourage students to remember, think and participate, prior to and during the annual Remembrance Day observations

Our annual poster, literary and essay contests, help focus the attention of the participants on those who gave all for the freedom we enjoy. Contests are divided into the following categories – senior (Grades 10, 11 and 12), intermediate (Grades 7, 8 and 9), junior (Grades 4, 5, & 6) and primary (Grades 1, 2 & 3). The entry may be in the form of an essay, poem or poster. **Participants in the primary category may submit entries in the poster contests only.**

Initial judging takes place at the community level by volunteers at local Legion Branches and the winning entries progress to judging at Zone, District and the Provincial levels. The winning entries at this level are forwarded to Ottawa where they are judged against all winning submissions across Canada and the National winners declared. The names and work of all the National winners are published through our Legion youth program flyers and the website.

The Poster Contest has two divisions – Colour and Black & White. The first place winning entries for the four categories (school grades) are displayed at the Canadian War Museum from 1 July – 1 May of the following year. The second place winners and any receiving an Honourable Mention are displayed at Parliament Hill during the Remembrance week.

Ways & Means Report

Our Ways and Means report is short this month as there is little activity. With Christmas over it was time for people to relax.

Our team of volunteers continued to work along this month though. Activities completed last month are:

- Thursday night Euchre continued with many people coming in to participate.
- Saturday Afternoon euchre has the same effect as the Thursday night with a continuous support of many people.
- Bingo continues weekly with an increase in numbers throughout the month. We have been averaging over 70 people supporting the program. Thanks to all that take part.
- There were 2 meat draws this month. Attendance was down but all enjoyed the afternoon.

This month we will continue with these events.

Something new this month is our February 4th Breakfast Event in support of the nutrition program being run at our 4 schools in town. Bob and Rhonda are leading up this initiative with proceeds supporting this worthwhile program. Come out and support Branch and schools.

Let's keep our Branch active.

Winter has arrived with the howling winds and the blowing snow. Oh my, that lake effect can be quite threatening on a long drive in the dark of the night. Sometimes, when I head out down the highway, I wonder whether if I had taken a back road, if I would I have arrived earlier. When the snow starts swirling and pounding into the windshield you question: Should I have stayed? Why did I leave? I believe many of us have been in this blinding snowstorm, not being able to see much in front of us. The fear of the unknown as we keep going forward engulfs us; yet we know that pulling over and turning around is not safe.

I have actually been driving along the lake and enjoying the calmness of the snow and without warning I am in the center of a wind tunnel with the car shaking back and forth. I had no control as I gripped the steering wheel choked by the terror of the night with the wind bellowing leaving me paralyzed with fear. Not trusting my judgement — as I could not see anything — I put the car in park right in the middle of the road. Confused and disorientated by the storm, I felt lost and alone. I thought: this is it, no one is going to find me out here and, of course, my cellphone had no service. I needed to take a moment to consider what to do next. I was in need of a plan. A friend once told me if you are caught in a storm and you cannot see in front or behind you look for what is beside you. I rolled down the windows to find on one side the snow bank while I searched for the yellow line in the middle of the road. Finding them, at least I knew I was on the right side of the road. I inched forward with my windows rolled down. I was cold and shivering, but I was determined to get out of the storm. My windshield wipers kept whispering: “you can do this, you can do this”. Finally I drove right out of the storm and arrived at my destination. I was going to be safe at last.

Later friends and family would ask the question — “What took you so long for you to get here?” My response to everyone was “You really do not know what I have just been through”. I think many of you have been in that storm, possibly fearing for your life. Some of you may even have had little ones strapped in their car seats travelling with you.

I have learned from my experiences and I have taken control. I pay more attention to the weather reports before I head out in any direction. I have a winter road safety plan. My bag with a few belongings is always packed in the car. I know that I have people I can call and places to stay. There is a toll free number I can call to check on the conditions and weigh my risks. The more information I have, the better informed I have become as to how to make decisions for myself.

Women living in a storm in their own homes here in Bruce Grey may fear for their lives. There is a toll free number to call for safety planning and to determine your risks. (1-800-265-3722). Remember rather than asking “Why does she stay?” or “Why did she stay so long?” ask the question “What can I do to help?” Shelters are a safe haven for women and their children. Shelters do save lives.

Thank you Branch 340 for the help in 2017 with the donation to The Women’s Centre Shelter.

Dear Dan, the Executive, Members and Ladies Auxiliary of RCL, Branch 340, Port Elgin, ON

That was some 100th birthday celebration for Comrade Mike Pepe on Saturday, December 2nd, and we could not have done it without you! It was estimated about 200+ guests attended the 'come and go' celebration.

We (Mike and family), graciously 'thank-you' for your generous support, kindness, attention to detail, and technical services (Craig Bell), as we helped Comrade Mike Pepe (DAD) celebrate his 100th Birthday. It was a pleasure to coordinate this celebration with the Royal Canadian Legion, Branch 340, Port Elgin, ON.

The members lounge naturally created a cozy atmosphere. Everything was perfect and well-organized – 'Thank-you', Norma (Dudgeon). The deli spread was wonderfully presented and the Legion cloth enhanced our picture display – 'Thank-you' Joyce (Chapman) and Ladies Auxiliary!

Royal Canadian Legion – Ontario Command Military Service Recognition Book

Ontario Command is very pleased and proud to publish the Military Service Recognition Book. A book that will assist us in identifying and recognizing many of our Veterans within the Province of Ontario, while at the same time assist us in our job as the “Keepers of Remembrance”.

We invite Legion members and the general public to visit their local Legion Branch to obtain more information regarding this Remembrance program and more importantly, to submit a story and photo of a Veteran. We cannot expect those who have served or are still serving to write their own stories for publication. So we are asking members of The Legion and the general public to accept the responsibility and fulfil our mandate to do this on their behalf.

This annual publication will help identify and recognize many of the Veterans of Ontario who served their country extremely well. As “Keepers of Remembrance”, the Royal Canadian Legion strives to perpetuate the sacrifices that our soldiers and their families sacrificed for our freedom. This Military Service Recognition Book will serve as a reminder for generations to come, of the contributions made towards the creation of our nation and the continuance of Canada as a protector of freedom.

Although this program is all about Remembrance and the history of our Veterans, funds will be raised for the Legion through a telephone appeal to the general public and businesses through advertising sales for the book. The book publisher, Fenety Marketing, is currently conducting a Telephone Appeal on our behalf to private citizens and the business community throughout the Province of Ontario.

The funds raised through the program will assist and support many Legion initiatives and to assist Branches to remain a viable partner in their communities.

We invite you to submit stories of Veterans who have touched your life through your local Legion Branch. Recognition for our Veterans both past and present should be very important to us all. Please show your support to our Veterans.
