President's Report

It looks like summer has finally arrived. Maybe we will be able to swim in the lake before July 1st. Let's hope. May was a quiet month for us as there was no Zone, District or Provincial meetings to attend.

June is the start of our new fiscal year and our new Executive take over for the next year. There are many Executive members returning to support our Branch again which is very nice. These people have a wealth of knowledge and it is good to be able to depend on them. Also, we have a new face in Greg Briggs and he comes in with a solid background in the needs of our veterans. His background will be able to help us support many veterans better. Welcome Greg.

I would like to thank the outgoing Executive for your support over the years. It was a pleasure working with you and I hope to work with you again in the future.

Many activities continue on at the Branch and we appreciate all our comrades who help support these activities.

1. Bingo is held every Wednesday night starting at 7:30 pm. Doors open at 6:00 pm. Come and enjoy a night out with many of our supporters.
2. We have three Meat Draws arranged for June; the dates are 2nd, 16th and 30th and begin at 4:00 pm.
3. The Belmont Stakes will be held on June 9th. I am sure there will be a few draws for the event. The race is around 6:30. Come out and enjoy the race with you fellow comrades.

4. Our Saturday afternoon Euchre will be taking a rest for the summer in June and will return in September.
5. Our Thursday night euchre will continue with the games starting at 7:00 pm.
6. Our popular Friday night barbeques have started for the summer. Bob, Rhonda and their crew are ready to serve up some delicious food. There will be 3 barbecues; the dates are June 1st, June 15th and June 29th. Come on out and enjoy some good home cooking. Dinner is served at 6:00 pm.

I hope you all enjoy a happy summer time and maybe I will see you at the Branch this month.

Yours in Comradeship,

President Dan Kelly

A young man who was also an avid golfer found himself with a few hours to spare one afternoon. He figured if he hurried and played very fast, he could get in nine holes before he had to head home. Just as he was about to tee off an old gentleman shuffled onto the tee and asked if he could accompany the young man as he was golfing alone. Not being able to say no, he allowed the old gent to join him.

To his surprise the old man played fairly quickly. He didn't hit the ball far, but plodded along consistently and didn't waste much time. Finally, they reached the 9th fairway and the young man found himself with a tough shot. There was a large pine tree right in front of his ball - and directly between his ball and the green.

After several minutes of debating how to hit the shot the old man finally said, "You know, when I was your age I'd hit the ball right over that tree."

With that challenge placed before him, the youngster swung hard, hit the ball up, right smack into the top of the tree trunk and it thudded back on the ground not a foot from where it had originally lay.

The old man offered one more comment, "Of course, when I was your age that pine tree was only three feet tall."

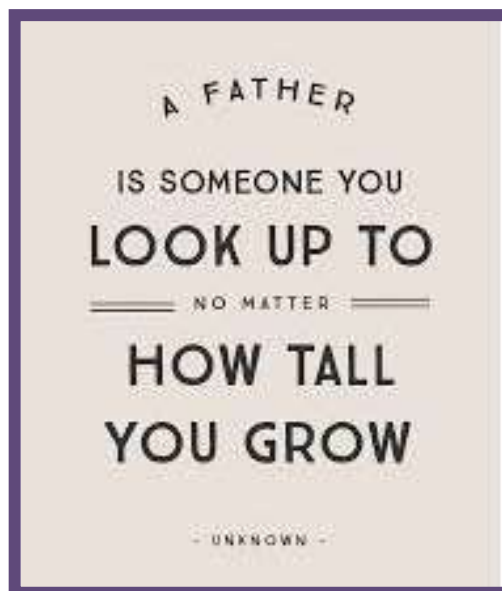

Have you been interested in joining the Ladies Auxiliary but don't have enough information to make that decision? Well here's what we're all about.

- Having Fun! We have such fun in the kitchen, at Conventions, on parade, or hosting a yard and bake sale.
- Teamwork! Whether it's delivering Meals-on-Wheels or preparing meals for banquets, we rely on each other and trust each other.
- Dedication! Attending our General Meetings once a month, going to Zone meetings twice a year and Provincial Conventions every other year.
- Volunteering! Whether you're elected or appointed to a position on the executive of the Auxiliary, it's all time we devote to fulfill the task.
- Friendship! We share each other's woes, each other's burdens bear, and often for each other flows the sympathizing tear.
- Pride! When we wear the uniform; when we carry the flag and when we take part in Legion and public events. We always take pride in being a member of the Ladies Auxiliary. Serving our Legion and supporting our Veterans and our community.
- Hard working Women! You bet we are, but we know how to make it fun and share the work load. We serve the best home cooked meals to our clients.
- Fundraising! Our goal is to donate financially to local charities, organizations and schools, provincial bursaries, sports and charities, Veterans hospitals, our own Legion Branch 340 and the Cenotaph Fund.

Have we piqued your interest? Do you have any more questions? Would you like to complete an application? Then speak to one of the Ladies Auxiliary members if you already know one, or ask the bartender for an application or the Legion office or email me at divinediane11@gmail.com.

Leadership Development A Unique Program for our Youth

District C will be holding our annual Track and Field competition on Saturday, June 23rd at the Davidson Centre in Kincardine. Please come out and support our athletes as they compete in the many events.

The Track and Field program of Ontario Command is unique in that it is the only program of its kind in the province that offers both a summer and winter meet to girls and boys 17 years of age and under. Athletes can compete at two other levels (Zone and District) and those that qualify at these levels can progress to the Provincial level. Those who qualify at the provincial level can advance to the National level. The Provincial Winter Meet gives the athletes an opportunity to hone their skills and maintain their level of achievement in their various events.

We have maintained this program for many years, with participation of in excess of 400 athletes at both the winter and summer meets. The numbers at Zone and District level vary, with between 250 to 400 athletes at these levels. Many athletes have and will participate in the program for up to five years. We are very proud that many have gone on to become very prominent in the sports field. No less than 26 athletes, who participated in the Olympic Games held in Los Angeles, have come through the Legion program. Wayne Gretzky, though best known as a hockey legend, also participated in our Track and Field Program and won a medal at the Provincial level.

Athletes must qualify at Provincial Meets to advance further and this brings in top caliber athletes. A fitting example of the success of our program is that all Canadian medal winners at the 1984 Olympics in Los Angeles came up through the Legion Track and Field program.

The meets would not be feasible without the 100 plus volunteers it takes to run them and Ontario Command sponsors hundreds of young athletes across the province at an average annual cost of \$ 75,000. The athletes do not pay to participate and all costs are paid by the Legion, including transportation, accommodation and meals. In some cases, Branches also make a donation to include some spending money.

We are very proud of our program. While it primarily assists young athletes to be the best they can be, it also allows them to develop confidence, maturity, and new friends as they participate through the age categories.

Poppy

As your Poppy Chairman again this year, I want to get on the bandwagon early so that we can have an even more successful campaign in 2018. **Our 2018 Poppy Campaign will run from Friday, October 26th to Sunday, November 11th.**

In 2017, less than 6% of Branch #340 members volunteered to personally go out to canvass? Even a couple of hours could make a big difference! A Great Thank you goes out to all those that did volunteer in the past.

Based on my first year as Poppy Chairman's observations, donations doubled to quadrupled when a live canvass volunteer was present vs. an unattended Poppy Box. In some cases, where corporate policy will not allow us to put a Poppy Box(es) in the store, it increases our collections from that location from 0% to 100% when a canvasser is present.

The success of any Poppy Campaign relies heavily on our Volunteers, especially canvassers. Please send me an email expressing your interest in Volunteering this year and provide me with your name, phone number(s) and email address or contact me directly.

When you joined the Legion, one of the key commitments you made, as a member, was to actively support our Poppy Campaigns.

I look forward to hearing from you. I will ensure that you will be personally contacted and offered a role.

Your time will be greatly appreciated to make our 2018 Campaign an even greater success!

Lest We Forget!

As we approach our summer season, our Ways and Means activities change with the weather.

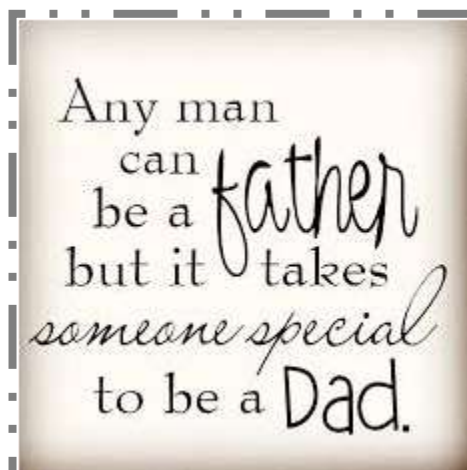

1. Saturday afternoon Euchre will be shutting down for the summer for a well-deserved rest. They will resume again in September.
2. The Thursday night Euchre will continue through the summer months with 7 to 8 tables being filled each week.
3. Bingo continues weekly with attendance being very healthy on all of the Wednesdays. Our numbers continue to be above 70 participants which are very good for this time of the year.
4. There will continue to be Meat Draws held every other Saturday with the first one June 2nd.
5. Our Friday night barbeques started on the long weekend in May and will continue throughout the summer months. Our next one will be held on Friday June 1st. Come on out and enjoy a great meal provided by Bob and Rhonda and their crew.

All these events (except for Saturday euchre) will continue through the summer. Rhonda has made up a pocket size poster that identifies the dates for the BBQ and Meat Draws. They are available to anyone at the bar in the Club Room. Pick one up so you don't miss these events.

Our General Meeting will be held on Tuesday, June 5th starting at 7:30 pm. The Legion fiscal year starts June 1st so our new Executive will be in place for this meeting. We will be voting on the positions they will be holding for the next year. We will also be voting on a Motion that will allow the Executive to make any financial decisions through the summer months that are required to run the Branch. There will be no General Meeting in July and August so this will be our last meeting until September.

Let's keep our Branch active.

**AIR CADETS
340 (Griffin) Squadron, Port Elgin**

340 Air Cadets have had a busy month. The Cadets headed to Wingham who hosted the Regional Sport Competition. The Cadets tested themselves against the Cadets from other squadrons on the Canada Fitness tests, culminating in a team tug of war. Then the Cadets attended Base Borden for ACAD (Air Cadet Activity Day), having a lot of fun climbing confidence courses, climbing rock walls, and meeting hundreds of other Cadets from the central Ontario region. Then it was on to Gliding at Wingham Airport with all the Cadets getting at least one trip in a glider before strong winds picked up in the afternoon. The Cadets also spent an evening at Independent Grocers for a clean-up day for Earth Day which was delayed due to the late snow fall in April.

The Cadets will be having their Annual Review at The Plex on June 3rd at 2:00 pm with the Ladies Auxiliary providing beverages and a snack afterward (Thank You Ladies!). Invitations will be going out but all Legion members are cordially invited.

The schoolteacher was taking her first golfing lesson.

"Is the word spelt p-u-t or p-u-t-t?" she asked the instructor.

"P-u-t-t is correct," he replied.

"Put means to place a thing where you want it. Putt means merely a vain attempt to do the same thing."

The unique circumstances that our military men and women face often makes the transition back to civilian life challenging. Some develop operational stress injuries (OSIs) including invisible wounds such as PTSD, depression and anxiety, substance abuse, and other conditions that interfere with daily functioning.

The Royal Canadian Legion is here to assist Veterans in getting the help and supports they need. Our free, confidential services are available for all Veterans, including currently serving and retired Canadian Armed Forces and RCMP members, and their families.

Although the Legion cannot assist directly in the specialized area of mental health, our professionally trained Command Service Officers assist Veterans and their families by:

- Ensuring they are aware of all benefits and services they are eligible for
- Accessing disability benefits and services through Veterans Affairs Canada
- Referring the Veteran to specialized mental health programs and resources
- Providing information on additional programs and supports available in their community

What can a Veteran or family member expect when he or she contacts a Legion Command Service Officer?

First steps through the Legion

Many Veterans will visit a local Legion Branch to request assistance. Volunteer Branch Service Officers are the boots-on-the-ground, and are available to assist with Legion paperwork, and refer Veterans to a Legion Command Service Officer for assistance with Veterans Affairs Canada (VAC) disability benefits. Veterans may also choose to contact a Command Service Officer directly for assistance.

The process for requesting assistance and support through a Legion Command Office is the same for all Veterans, regardless of whether the injury is physical or mental or whether the Veteran needs other support. In the first meeting or phone call, we will ask the individual to complete a Legion Claim Application Form - we can help complete the form if assistance is needed. This form allows the Command Service Officer to access the Veteran's confidential health information through Veterans Affairs Canada. Access to this information ensures we can identify the benefits the individual is eligible for, and assist and represent them in accessing those benefits.

Immediate support

In situations where the initial first meeting suggests the Veteran is in need of immediate or interim assistance while going through the claims process, they would be referred to a program that can offer immediate support, such as mental health counselling, or the OSISS Peer Support program.

Legion guidance and support throughout the process

Once the Command Service Officer has reviewed the individual's file and discussed the options with him or her, they will register the claim to VAC on the Veteran's behalf. VAC requires a current diagnosis from a

qualified medical professional, and completion of a medical questionnaire. The Legion can support the Veteran in obtaining the required medical information and reports.

While the case is being adjudicated, and throughout the process, the Legion Command Service Officer will continue to be available to the Veteran and their family to assist with the process, and facilitate other requests for support. Our objective is to ensure the Veteran and their family receives the care and benefits they require, in a timely manner.

Other Legion supports

In addition to the private, confidential support available through a Legion Command Service Officer, the Legion also offers additional mental health support at the community level through our Operational Stress Injury Special Section (BSO Legion OSI). BSO Legion OSI is a Veteran-driven initiative helping connect Veterans with others who have been impacted by OSIs. Our members conduct community-based outreach, organize peer-support opportunities, and offer referral services for Veterans and their families who are affected by operational stress injuries. To find a BSO Legion OSI member near you, please email admino@osispecialsection.ca.

Many local Legion Branches also offer referrals within their community to assist ill or injured Veterans. Contact your local Branch for more information.

We can help

If you or a Veteran you know is affected by operational stress injuries, please contact a Command Service Officer for help. All Veterans services through the Legion are offered free of charge, and you don't have to be a member to get help.

Our first barbecue of the season was held on Friday, May 18th. As co-ordinator's we were very pleased to see the turn-out. We had a total of 63 members and friends taking part.

We welcome back our BBQ Team from last season and look forward to working together with all of them. We always have a great time.

We can always use more volunteers to help with set-up, cooking, serving and clean-up. No experience necessary as we would be happy to teach new cooks on the use of the equipment. We would love for you to join our Team.

Donations of salads and desserts are always appreciated and certainly would complement our table. The sign-up sheet is located in the Club Room.
